

**Insurance Coverage for the hinotori™ Surgical Robot System  
Expanded to Thoracic Surgery in Japan**

Medicaroid Corporation (HQ: Kobe, Japan; President: Koji Muneto; hereinafter referred to as “Medicaroid”) announced that insurance coverage of the hinotori™ Surgical Robot System (hereinafter referred to as “hinotori”) for thoracic surgery was approved on June 1<sup>st</sup>, 2024 in Japan. The indication-for-use of thoracic surgery for hinotori™ was approved by Japan’s Ministry of Health, Labour and Welfare (MHLW) on April 15<sup>th</sup>.

Through its medical robots, Medicaroid will continue to support an abundant society where all patients, patients’ family, and healthcare workers can live with peace of mind.
